The video comes on the last day of his *Injured Generation Tour*, which has sold out shows across North America and featured special guests including **Drake, Meek Mill, Soulja Boy, Lil Yatchy**, and more.

“Kids Turned Out Fine” represents the transition from childhood to adulthood and all of the questions parents confront in raising their children.

This video is A\$AP Rocky’s first of 2019, following several creative drops at the end of 2018 including, [“Gunz N Butter”](#) [“Sundress,”](#) and [“Fukk Sleep,”](#) featuring FKA twigs.

ABOUT A\$AP ROCKY

Harlem born MC **A\$AP Rocky**, born [Rakim](#) Mayers, has taken the music and fashion worlds by storm. In 2018, he released his highly-anticipated third studio album, **TESTING**, which has garnered over **1**

billion streams worldwide, landing at **#1 on the iTunes charts** in 16 countries upon release, with "Praise The Lord" achieving platinum status and over 100 million views. The album has been well-received by music critics, as well, with *The New York Times* calling it [A\$AP Rocky's] most outré album to date, the one least concerned with prevailing trends," **Billboard** saying "the Harlemite has been on the cusp of greatness for nearly a decade...his confidence and fearlessness has always been his calling card, and 'Testing' is more of him bravely stepping out of the box to try something new," and **Highsnobiety** referring to *TESTING* as "an absolute triumph."

With two critically acclaimed, **#1 debuts on the Billboard 200** for previous albums, *Long. Live.A\$AP* and *At.Long.Last.A\$AP* and over **5.9 billion** streams worldwide, *TESTING* launches a new era for Rocky, exploring new sounds and ideas in an unparalleled musical landscape where he continues to break the mainstream mindset with sonics rarely heard in hip-hop. Executive produced by A\$AP Rocky and co-executive produced by **Hector Delgado, Juicy J, Chace Johnson, and AWGE**, *TESTING* was recorded over three years between New York, LA, London and Berlin. This album picks up where Rocky last left off, weaving mind-melting aural psychedelics into hip-hop that is, at times dark and confessional, and in other moments uplifting and celebratory. Rocky is joined on *TESTING* with features from **Juicy J, T.I., Moby, Frank Ocean, French Montana, FKA twigs, Skepta, Kid Cudi** and **Kodak Black**. Carrying on the legacy of the **A\$AP Mob** co-founder **A\$AP Yams**, Rocky and the A\$AP Mob released two mixtapes, 2016's *Cozy Tapes Vol 1: Friends-* and 2017's *Cozy Tapes Vol 2: Too Cozy*, featuring the hit single "RAF" which has now racked up **208 million** streams worldwide.

Rocky has collaborated with many high-profile artists, including **G-Eazy's** 3x RIAA Platinum "No Limit" with **Cardi B**, **Mura Masa's** "Love\$ick", **Tyler, The Creator's** "Who Dat Boy", and songs with **Lana del Rey, The Weeknd, Young Thug, Skepta, Juicy J, Quavo, 30 Seconds to Mars, Alicia Keys** and more.

The past two years have also seen Rocky's creative agency **AWGE** in the spotlight, launching partnerships with **Calvin Klein, MTV, GUESS, Under Armour, Courvoisier, Dior, Mercedes Benz** and **JW Anderson** and also launching the careers of new artists such as **Playboi Carti, Smooky MarGielaa** and more.
