

FLORA CASH RELEASE NEW SINGLE “MISSING HOME” ALONG WITH MUSIC VIDEO

NEW ALBUM COMING THIS NOVEMBER

(Los Angeles, CA – September 6th, 2019) – Indie pop duo **Flora Cash** release new single “Missing Home” along with music video via BEE & EI/RCA Records. Watch [HERE](#). The single is produced by Mike Elizondo (Twenty One Pilots, Eminem) and Flora Cash and the video is directed by Daniel Carberry (30 Seconds to Mars). Additionally, Flora Cash is finishing up their new album which will be released this November.

Flora Cash says “We started writing “Missing Home” at some random hotel in Boston over a year ago. Away from our friends and family and all sense of the familiar, we were at a low point and even though we were lucky enough to have each other, we still felt lonely. Writing this song helped. We really want “Missing Home” to speak to and encourage anyone who feels like they’re out on a limb struggling to pursue a dream. Hopefully it’s a reminder that even when it’s hard and even when it’s tempting to give it up, that it’s worth it and that we can make ‘home’ wherever we happen to be.”

The band is currently on tour with Judah & the Lion where they’ll be stopping in major cities including Los Angeles, New York and Houston. Additionally, Flora Cash will be joining AJR on their fall tour starting on November 6th with stops in Chicago and 2 nights in Philadelphia. About Flora Cash

Flora Cash saw major success with their #1 single “You’re Somebody Else.” Forbes Magazine called it “brilliant” and said it “*is arguably the most intriguing song on radio this past year.*” The track has amassed over 82 million combined streams, hit #1 at Alternative and Triple A Radio, and is one of the most Shazamed Alternative records of last year. Last fall they performed the song on *The Late Late Show With James Corden* and *Last Call With Carson Daly* and earlier this year on *Live! With Kelly and Ryan*. “You’re Somebody Else.” synchs include: *Runaways* (ABC), *Locke & Key* (Netflix), *The Good Doctor* (ABC), Fox Sports Thanksgiving feature, Movistar Commercial (Mexico, Central America, South America). The husband-and-wife duo emerged when Minneapolis-native Cole Randall uploaded his music to Soundcloud and caught the attention of Sweden-based Shpresa Lleshaj who stumbled upon his account and started leaving comments under the songs. Facebook messages gave way to an introductory phone conversation, which snowballed into marathon Skype sessions, which eventually led to their marriage. The mystique of the music offset the exuberance of the union between them. The duo stitched together a singular style from threads of personal anxiety, struggle, and ultimately triumph. In 2017, their full-length debut, *Nothing Lasts Forever (And It’s Fine)*, attracted widespread tastemaker praise, including a coveted 9-out-of-10 score from *Earmilk* as well as acclaim from *Noisey*, *Paste*, *Wonderland Magazine*, *Elmore Magazine* and *The Line of Best Fit*. Additionally, the band released their EP *Press* in March.
