Nov.13, 2019 – **TOOL's *Fear Inoculum*** (RCA Records), the Los Angeles-based band's chart-topping, record-breaking, critically-acclaimed and, until now, physically sold-out fifth album is heading back to record stores, with an expanded book edition of the collection slated for a Dec. 13 release.

The new iteration of *Fear Inoculum* (<http://smarturl.it/TOOLFIa>) includes 5 x 3D lenticular cards with exclusive graphics, an expanded 56 page booklet with additional never-before-seen art, a download of the groundbreaking immersive visual experience (video), "Recusant Ad Infinitum," and a CD. Pre-order available now: <https://smarturl.it/TOOLFIEXB>.

Quite possibly the era's most highly-anticipated album, TOOL's fifth album, which arrived on Aug. 30, was met by lengthy lines at retailers as music lovers clamored to get a copy of the groundbreaking, limited edition physical release. The now sold-out version features a 4" HD rechargeable screen with exclusive video footage ("Recusant Ad Infinitum"), charging cable, 2 watt speaker, a 36-page booklet and a digital download card. The album debuted at #1 on *Billboard's* Top 200 and earned heaps of critical praise with *NPR* saying, "Fear Inoculum was worth the 13 year wait," *Revolver* proclaiming the album "a masterpiece to be dissected for years to come" and *Consequence of Sound* saying the release finds "Tool in peak performance."
