

SAM FISCHER RELEASES THE MUSIC VIDEO FOR HIS VIRAL HIT “THIS CITY” VIA SONY MUSIC ENTERTAINMENT U.K./RCA RECORDS

(Los Angeles, CA – January 24th 2020) - When Sam Fischer started to lose all faith in ‘**This City**’ becoming the hit it was destined for, the rest of the world told him to never give up. Now, the soulful smash stands at **over 40 million streams** on Spotify and **20 million** on Apple. If you’ve used **Tik Tok** this year then you almost certainly know how widely the track has been loved by its users and has become a viral sensation with its delicate guitar plucking melody and Sam’s incredible raw vocals.

The video for the track was produced by up and coming director Kimberly Stuckwisch and uses interpretive dance to show the lonely side of life in Los Angeles. Watch the video [HERE](#).
