#### **About bLack pARty:**

In similar fashion, artist, producer, songwriter, and multi-instrumentalist bLack pARty, born Malik Flint, absorbs, imbibes, and celebrates a wide swath of styles, spanning R&B, hip-hop, psychedelic soul, and self-described “*tropical funk*”—his own inimitable infusion of reggae, dancehall, and tropical tones.

bLack pARty began as a producer, first working with Kari Faux in 2013 in what has become a long-standing producer-artist collaboration. He emerged as a solo artist in 2016 with the debut of his critically acclaimed project, *MANGO*, which went viral from its “Best View” visual and received praise from the likes of *Complex*, *Vibe* and many more. Since then he’s gone on to work on Childish Gambino’s *Awaken! My Love* as well as music for *Insecure*, *Dear White People*, and *Atlanta* in addition to executive producing Faux’s *Lost en Los Angeles*.

Fast forward to 2019, The Arkansas-born and Los Angeles-based aural alchemist returns and integrates a lifetime of music obsession into unpredictable, undeniable, and unshakable anthems on his full-length debut, *Endless Summer* [Wolf + Rothstein/RCA Records].
