### About Amtrac

The Kentucky-born and Los Angeles-based artist, DJ, producer, remixer, multi-instrumentalist, and founder of **Openers**, Amtrac made his formal debut onto the scene in 2011 with his acclaimed album *Came Along*. The album elevated the Morehead, KY native—born Caleb Cornett—to the cutting edge of electronic music. In its wake, he amassed an acclaimed catalog of originals and remixes. Lending his touch to tunes by **Two Door Cinema Club**, **Elderbrook**, **Sigur Rós**, and **Chromatics**, *Pitchfork* described his remixing as “*epic-sounding*.” Among the originals, 2014’s “**Those Days**” notably boasted vocals from **Stevie Wonder**. Following the 2016 solo EP *Lost In Motion*, he reached a new plateau on the *1987 EP* during 2017. Both “**Never Lost**” and “**Piano Boy**” put up over 6 million Spotify streams each as his total stream tally neared the 100 million mark. Along the way, he earned praise from **Billboard**, **Mixmag**, **Revolt**, **Complex**, *i-D Magazine*, and more in addition to gracing the stages of major festivals such as **Ultra Music Festival**, **EDC Las Vegas**, **Osheaga Festival**, and **Holy Ship!**, to name a few. Not to mention, he has headlined

shows on four continents. Launching Openers in 2017, he provided a home to tracks by Durante, Rick Trainor, Lucas, and many others. Amtrac is looking ahead to 2020 with new music and his new partnership with **RCA Records**.
