About Audrey Mika

Hailing from the Bay Area, 19 year-old Audrey Mika first rose to prominence as a YouTube sensation whose following has continued to grow with her unique covers of popular hits. She has amassed over 1 million YouTube subscribers who flock to check out her original material such as her two prior projects, 2018's "Are We There Yet" and 2019's "Level Up", which she recorded entirely on GarageBand. She's been called a "rising star" by Paper Magazine and her original music was praised by Ones To Watch who called it "incredible".
