### **About SAYGRACE and "Boys Ain't Shit"**

The [video for 'Boys Ain't Shit'](#) has already enjoyed over 6 million views, and the single has been trending on TikTok with over 200k video creations. Watch SAYGRACE's Genius Verified interview [HERE](#).

"Boys Ain't Shit" finds SAYGRACE flipping the script on a man who pushed her to the breaking point — but instead of vectoring in on the problems in their relationship, SAYGRACE turned the track into an anthem for all women who feel like swiping, doing emotional labor, and the interchangeable nature of modern dating is dehumanizing.

SAYGRACE thinks of her lyrics as a message to the younger version of herself, and a message to any woman who needs to hear it; that in a world that's always trying to shrink you, you can be as big as you want. "As woman we're told all your value is placed on how fuckable you are, but I refuse to accept that as reality," she says. "What I realized as I got older is that nothing is more powerful than divine feminine energy and when woman come together and support each other the possibilities are infinite." SAYGRACE is all about finding her place and her power as a young woman despite sometimes still feeling like a lost kid in this big world.

Her EP, *The Defining Moments of SayGrace: Girlhood, Fuckboys & Situationships*, is her manifesto.
