Adds **Tate McRae**: *“Being able to work with two other up and coming female artists in the music industry is pretty inspiring and I jumped at the chance to work with Saygrace and Audrey Mika. It’s so awesome to be in the studio, bouncing ideas off one another and seeing what they’ve experienced in the past. It definitely opens you up to a whole other perspective.”*

Adds **Audrey Mika**: *“I am so lucky to be on such an empowering record with the very powerful SayGrace and Tate McRae! It was so fun to be able to collaborate in the studio and being as creative as we can be!”*

“Boys Ain’t Shit” finds SAYGRACE flipping the script on a man who pushed her to the breaking point. SAYGRACE turned the track into an anthem for all women who feel like swiping, doing emotional labor, and the interchangeable nature of modern dating is dehumanizing.

SAYGRACE thinks of her lyrics as a message to the younger version of herself, and a message to any woman who needs to hear it; that in a world that’s always trying to shrink you, you can be as big as you want. “As woman we’re told all your value is

placed on how fuckable you are, but I refuse to accept that as reality,” she says. “What I realized as I got older is that nothing is more powerful than divine feminine energy and when woman come together and support each other the possibilities are infinite.” SAYGRACE is all about finding her place and her power as a young woman despite sometimes still feeling like a lost kid in this big world.

Her EP, *The Defining Moments of SayGrace: Girlhood, Fuckboys & Situationships*, is her manifesto.
