

LEIKELI47 RELEASES NEW VIDEO “NO RELOAD”

ALBUM *ACRYLIC* OUT NOW

[New York, NY – March 14, 2019] **Leikeli47** just dropped a new video for "**No Reload**" from her acclaimed ***Acrylic*** album out now. The video features 47 as she flicks away those who only seek her out to ask for favors, "*There is wisdom in knowing when to say 'No.'* The word 'No' helped me to understand the value in my gift" says 47 of the concept. The video follows the *Grown-ish* premiered "[Tic Boom](#)" visual where Leikeli was revealed as "The Drop," (an anonymous creative) in a powerful episode which discussed the discredit of women creatives and their genius ability. You can see Leikeli47 live later this month on her *Acrylic* tour (full dates below) as well as Pharrell's inaugural Something In The Water Festival in Virginia Beach, VA.
