

SASHA SLOAN RELEASES NEW SINGLE “LIE”

DEBUT ALBUM *ONLY CHILD* COMING FALL 2020

(Los Angeles, CA - August 7th, 2020) – Critically acclaimed singer/songwriter Sasha Sloan releases her new single “Lie” today. Listen [HERE](#). Written by Sasha along with King Henry and Emi Dragoi and produced by King Henry, “Lie” unpacks the denial and fallout of a failed relationship. With a breathtaking visual to follow next week, “Lie” sets the stage for Sasha to unveil her debut album, *Only Child* coming this Fall.

On *Only Child*, Sasha finally steps into her own as one of music’s most gifted lyricists and a profoundly affecting artist. “This album is a very mature version of me,” Sasha says. “It’s the most honest I’ve been. And there’s even a twinge of hope in there, which is new for me!” The album, which Sasha has been working on since last year and finished in quarantine, is equal parts arresting and affecting. It’s bold, confessional, funny and real. It builds off the beautiful foundation Sasha set forth with her trio of prior EP’s.

About Sasha Sloan

After emerging in 2017 and appearing on a handful of high-profile collaborations, 25-year-old singer/songwriter Sasha Sloan released her debut single “Ready Yet.” Since then, she has established herself as a true wordsmith, an artist’s artist, who crafts potent melodies filled with poignant lyrics. As a songwriter Sasha has amassed over 3.5 billion streams by penning hits for some of today’s biggest artists. In 2018 Sasha released her first two EPs, *Sad Girl* and *Loser*. Her track “Normal” has been heralded by Billboard as a “catchy introvert anthem.” These emotionally-rich, left-of-center pop releases lead to her late night debut on The Late Show with Stephen Colbert in 2019 with a performance of “Older.” That year, Sasha completed her first North American and European headline tours (sold out) and released her 3rd and final EP *Self Portrait*, which had her single “Dancing With Your Ghost” as Idolator’s 6th “75 Best Pop Songs Of 2019.” She also recently scored a #1 on the Dance Chart for “I’ll Wait,” her collaboration with Kygo. Remarkably before she has released a debut album, Sasha has garnered over 2 billion streams worldwide to date.
