

ISAAC DUNBAR RELEASES HIS NEW TRACK “miss america”

“The teen indie-pop star on the rise makes music that’s achingly vulnerable and cuts straight to the core” – TIME

“...the real deal...” - BILLBOARD

“We have no choice but to stan” – E! NEWS

“Isaac Dunbar simply cannot miss” – ONES TO WATCH

(Los Angeles, CA – September 25th, 2020) – Trailblazing new artist **Isaac Dunbar** releases his new track “miss america” via **RCA Records**. Listen [HERE](#).

Isaac says, *"In my 17 years, I've never felt this much tension and witnessed such division amongst a country that is supposed to be "united". I will miss America, but in order for there to be peace, we need to go through this ugly phase. While writing "Miss America" I wanted to look at the current state of the country and try to put into words how it makes me feel. This song helps me cope with the current climate in my own way, understanding the struggle of America while trying not to be critical. We are entering a new phase of this country and I hope there is positive change around the corner."*

Earlier this year, Isaac released his [isaac's insects](#) EP that featured tracks like ["comme des garçons \(like the boys\)"](#) which E! News dubbed *"unbelievably catchy"*, ["scorton's creek"](#) which Idolator called *"his best single yet"* and ["makeup drawer"](#) where PAPER Magazine praised its *"bright melody."* HYPEBEAST also declared his vocals *"...soulful..."*

About Isaac Dunbar

The 17-year-old budding artist supported girl in red on her North American and European run of show dates last year and released his highly anticipated EP [balloons don't float here](#). It garnered the attention of notable tastemakers like [Zane Lowe](#), [The FADER](#), [Ones To Watch](#), and [Hillydilly](#), which stated: *"it's only a matter of time until he gets worldwide recognition."* Hailing from Cape Cod, Massachusetts, Isaac's EP melds complex sounds and atmospheric, beat-driven production to create melodic and introspective tracks. The unique brand of distorted ballads combined with lush, multilayered dream-pop harmonies and malleable, heady synth drops creates a genre-bending EP. In April, Isaac released his [isaac's insects](#) EP which led LADYGUNN to call him a *"...young pioneer..."* and PAPER Magazine declaring him a *"...verifiable wunderkind..."*
