About Sasha Sloan

After emerging in 2017 and appearing on a handful of high-profile collaborations, 25-year-old singer/songwriter Sasha Sloan released her debut single “Ready Yet.” Since then, she has established herself as a true wordsmith, an artist’s artist, who crafts potent melodies filled with poignant lyrics. As a songwriter Sasha has amassed over 3.5 billion streams by penning hits for some of today’s biggest artists. In 2018 Sasha released her first two EPs, *Sad Girl* and *Loser*. Her track “Normal” has been heralded by Billboard as a “catchy introvert anthem.” These emotionally-rich, left-of-center pop releases lead to her late night debut on The Late Show with Stephen Colbert in 2019 with a performance of “Older.” That year, Sasha completed her first North American and European headline tours (sold out) and released her 3rd and final EP *Self Portrait*, which had her single “Dancing With Your Ghost” as Idolator’s 6th “75 Best Pop Songs Of 2019.” She also recently scored a #1 on the Dance Chart for “I’ll Wait,” her collaboration with Kygo. Remarkably before she has released a debut album, Sasha has garnered over 2 billion streams worldwide to date.
