**What The Press Is Saying About *In Isolation***

*“...’Elle King: In Isolation’ finds the wrenching emotive singer still haughty and bawdy...As far as recording at home and straight, King’s new music is deeper, rawer, yet even more empowered than in her past.” – Variety*

*“...a powerful trio of quarantine cuts. The songs are fierce (‘The Let Go’), fearless (‘The Only One’), and funny (‘Over Easy’), centering King’s raspy, athletic vocals over simple guitar and piano arrangements.” – American Songwriter*

*“Delivering a raw, unabridged version of herself ...Spiritual, forthright and gritty, Elle King is the uncut version of a pop-star. A belter, expert writer, and multi-instrumentalist, King’s soul has wrangled itself free through her musical body and mind. She’s an electric performer, showing every melody on her face and tracing the lines with her fingers.” -- Ladygunn*

Her breakthrough single “Ex’s & Oh’s” earned her two GRAMMY nominations and was certified double platinum.
