February 5, 2021 – Today, multi-platinum selling superstar **G-Eazy** unleashes his latest earworm “Provide” featuring Chris Brown & Mark Morrison - listen [here](#). The nostalgic, feel-good R&B track features newly recorded vocals from Morrison himself from his smash hit single “Return of the Mack,” giving a fresh take to the classic song. “Provide” comes alongside its music video, which brings the 90s throwback vibe of the song to life, directed by Edgar Esteves - watch [here](#).

The release is the latest from the rapper as he continues to tease his much anticipated fifth studio album, ***These Things Happen Too***.

Chris Brown’s current 2X platinum selling single, “Go Crazy” with Young Thug recently broke the record for the longest stay in the top 10 of Billboard’s Rhythmic Airplay chart after being #1 on the chart in August 2020. The track also peaked at #5 on Billboard’s Hot 100 Chart and #1 on Billboard’s Radio Songs Chart and #1 on Billboard’s Mainstream R&B/Hip-Hop Airplay chart.
