FEAT. TOVE LO

[February 5, 2021 – New York, NY] Dutch DJ/producer/artist **Martin Garrix** releases today his highly anticipated new single “**Pressure**” ft. Swedish songstress **Tove Lo** via **Sony Music International/STMPD RCRDS/RCA Records**. Listen [HERE](#).

“Pressure” sees Garrix heading into a different direction, with fresh, deeper sounds dominating throughout the track. Tove Lo’s edgy vocals and catchy lyrics perfectly complement the groovy track.

No stranger to the dance floor or the pop charts, “Pressure” is a club ready banger and is both Garrix’s and Tove Lo’s first release of 2021. Her signature wit and seductive lyrics are the perfect complement to Garrix’s production on the track.

On the collaboration Tove says: “This track hit me in all the right places and I really wanted to be a part of it. It’s cool that it’s a slightly new direction for both me and Garrix! Lyrically it’s all about destructive passion and lack of self-control. Which feels amazing until it drives you crazy. I’m very excited for this to be our first collab, I hope all our fans feel it!”

During last year’s lockdown, Garrix has had lots of time to work on new music, with the DJ/producer stating he “can’t wait to share with his fans what he’s been working on.” This first release, as well as his one billion Spotify streams accolade for “In The Name of Love” with Bebe Rexha is sure set the tone for 2021 which is just getting started for him.
