### **About Rezz**

25-year-old Canadian DJ/producer Isabelle Rezaszadeh AKA Rezz has racked up tens of millions of streams, sold out legendary venues and headlined top festivals around the world. She oozes originality and produces genre-bending electronic works, striking a sharp balance between bass-heavy and minimal tech compositions. Her first independent project - the adventurous *Beyond The Senses* EP - was released in 2019 and received praise from Alternative Press, SPIN and Billboard who called it “*her most impactful project to date.*” She graced the cover of Billboard’s 2019 Dance

Alternative Press praised the song upon its release, including it as the lead track in their weekly playlist. They called the video "another high point in Rezz's canon," saying, "...the song evokes a sinister groove that will appeal to dance music devotees as well as industrial rivetheads..." Last summer, Rezz received The JUNO Award for Electronic Album of the Year for her work on *Beyond The Senses*.

### **About PVRIS**

PVRIS have officially entered their next chapter with widely-acclaimed new studio album, *Use Me*, as frontwoman, multi-instrumentalist, songwriter, and producer Lynn Gunn owns her role as PVRIS' leader and sole architect. Growing up in Lowell, MA, Lynn taught herself drums, guitar, and bass by sneaking into her brother's bedroom in grade school and playing for hours on end. During computer lab at school, she discovered production and recording software, tuning out the day's lessons in order to tinker with her very first beats. This process carried over to PVRIS, which she officially formed in 2013. A year later, *White Noise* inspired a growing fan base and scored a silver certification in the UK. Meanwhile, 2017's *All We Know of Heaven, All We Need of Hell* bowed in the Top 5 of the *Billboard* Top Alternative Albums Chart and ushered their stream tally past 220 million by 2020. Over the next seven years, PVRIS performed everywhere from *Coachella*, *Lollapalooza*, and *Reading & Leeds* to *Jimmy Kimmel LIVE!* in addition to supporting Muse, Fall Out Boy, and 30 Seconds To Mars in arenas and selling out headline dates worldwide. At the same time, *Vice*, *The New York Times*, *Medium*, *Rolling Stone*, *Billboard*, *Playboy*, and more extended praise.
