ABOUT MIGUEL: Miguel projects his own internal gratification, intense passion, and inimitable spirit through a signature pastiche of R&B, pop, alternative, funk, and rock. His enthusiasm, elation, and excitement carry through the music as if by osmosis. Since 2010, the culture has absorbed this energy from Miguel. With dozens of multiplatinum certifications, a GRAMMY® Award win for “*Best R&B Song*” out of 12 nominations, three #1 debuts on the *Billboard* Top R&B/Hip-Hop Albums Chart, billions of streams, and sold out arenas and amphitheaters everywhere, he consistently eclipses boundaries. Beyond numerous solo hits, he has also joined forces with everyone from Mariah Carey and Alicia Keys to J. Cole and Travis Scott for blockbuster collaborations. However, his personal journey vividly unfolds in technicolor on 2021's *Art Dealer Chic, Vol. 4* [ByStorm/RCA Records].
