Mills says, *“This next EP is a collection of songs I’ve written the past two years while getting inspired by and living in Laurel Canyon. The history of this place fuels me to write songs that will ease the minds of everyday people in a time of such unrest and divide. I love the overarching theme here: LOVE, LOVE, LOVE!”*

Born and raised in Bowling Green, KY, and having spent time in both Nashville and Los Angeles, Mills’ southern influences have been brightened by the Los Angeles sun, resulting in buoyant melodies tinged with nostalgia. With his poetic storytelling and distinctive harmonies that evoke the 1970s era of Laurel Canyon, 20-year-old Mills emerges as a troubadour for the modern age, vividly spinning tales of young love, happiness and heartbreak.

Following the release of his first EP, “Clashing Thoughts” in 2019, Mills toured the US with ROLE MODEL, and signed with Keep Cool. After spending the entirety of 2020 in the studio, Mills’ new EP, “Train of Thoughts”, has him poised for a breakout 2021.
