On “when was it over?” Sloan pairs for the first time with the incredible Sam Hunt for a country duet tinged with the beauty and the pain of an ending relationship.

Says Sloan, “*when was it over?*” is about not being able to let go of someone even when you know there’s nothing left. Shane brought the title into the room and Sam and I both loved it. The rest fell into place from there.”

Always a fan of collaboration as both a performer and a songwriter, this duet follows Sloan’s most recent partnering with Charlie Puth on a new version of her acclaimed track “[Is It Just Me?](#)” The original version of “Is It Just Me?” was featured on The New York Times *Playlist* column and is just one of the many critically heralded tracks on Sloan’s debut album [Only Child](#). Idolator gave the album a 5/5 rating saying the 10-song set is “*extraordinary*,” LADYGUNN declared Sasha “*the real deal*” and American Songwriter called her a “...*prolific pop writer*...” Sasha performed “Lie” on NBC’s The Tonight Show Starring Jimmy Fallon on September 24<sup>th</sup>.

### **About Sasha Alex Sloan**

After emerging late 2017 and appearing on a handful of high-profile collaborations, 26-year-old singer/songwriter Sasha Alex Sloan released her debut single "Ready Yet." Since then, she has established herself as a true wordsmith, an artist's artist, who crafts potent melodies filled with poignant lyrics. As a songwriter Sasha has amassed over 3.6 billion streams by penning hits for some of today's biggest artists. In 2018 Sasha released her first two EPs, *Sad Girl* and *Loser*. Her track "Normal" was heralded by Billboard as a "catchy introvert anthem." These emotionally-rich, left-of-center pop releases lead to her late night debut on The Late Show with Stephen Colbert in 2019 with a performance of "Older." That year, Sasha completed her first North American and European headline tours (sold out) and released her 3<sup>rd</sup> and final EP *Self Portrait*, which had her single "Dancing With Your Ghost" as Idolator's 6<sup>th</sup> "75 Best Pop Songs Of 2019." She also recently scored a #1 on the Dance Chart for "I'll Wait," her collaboration with Kygo. Sloan's critically acclaimed debut album *Only Child* was released in late 2020 and is available now.
