About Doja Cat:

3-time GRAMMY nominee Doja Cat made her first upload to Soundcloud in 2013 at just 16-years-old. Having grown up in and around the LA area, she developed a knack for music by studying piano

and dance as a kid and listening to the likes of Busta Rhymes, Erykah Badu, Nicki Minaj, Drake, and more. Soon, she went from obsessing over *Catwoman* (the Halle Berry version) to “crate digging” on YouTube. The budding talent taught herself Logic and how to compose on a midi controller. Signed to Kemosabe/RCA in 2014, she released her *Purrrr! EP* and followed that with her debut album *Amala* in spring 2018, but it was her August 2018 release of “Mooo!” which catapulted her into the mainstream and was met with critical acclaim.

Doja Cat released her sophomore album *Hot Pink* in November 2019 to mass critical acclaim, the album was a platinum success with over 10.3 billion streams worldwide. *Hot Pink* features “Juicy” which hit #1 at Rhythm radio, “Say So” her Grammy nominated #1 smash record and “Streets”, the viral sensation that soundtracked the ‘Silhouette Challenge,’ one of the biggest TikTok trends to date.

The success of “Say So” which hit #1 on the Billboard Hot 100 and has been RIAA certified 3x platinum and streamed over 5.4 billion times catapulted Doja into global superstardom. In 2020 she took home the Best New Artist Award at the MTV VMAs, the MTV EMAs and the AMAs (where she also won the Best Female Soul/R&B Artist Award.) She has been nominated for countless awards including 3 GRAMMY Awards, 5 Billboard Music Awards, 4 American Music Awards, 4 MTV VMA Awards, 2 BET Awards, and 2 People’s Choice Awards.

Doja’s creativity and showmanship as a performer have been praised time and time again, she has delivered unique and show stopping performances on nearly all the major Award Show stages including the GRAMMY Awards, the American Music Awards, the Billboard Awards and the MTV VMA and EMA Awards. Her last tour sold out in 10 minutes and she has played numerous festivals including Rap Caviar Live Miami, Posty Fest, Day n Vegas and Rolling Loud LA.

Doja Cat’s new album *Planet Her* is set for release June 25th, 2021.
