With Sam Feldt's signature feel-good sound lacing the production, the uplifting melody is topped by the stunning vocal delivery of Sam Fischer, and looks set to be one of this summer's biggest anthems.

Sam Feldt says: *"I've loved Sam Fischer's voice from the first track I discovered from him, and always dreamt about doing something together. Remixing his latest single together with Demi Lovato opened the doors for a single together, and I'm really happy with how our new track Pick Me Up turned out. For the drop, I collaborated with the Sam Feldt Live Band to record live horns, to take the energy of the song to the next level. I'm really excited to share the end result, because let's be honest: two Sams are better than one."*

Sam Fischer says: *"I'm stoked to be joining forces with Sam Feldt for Pick Me Up. He says 'two Sams are better than one' and I couldn't agree more. Sam's made people dance and brought joy to so many summers for years now, while I've been more in the business of making tears with my music. I'm excited to jump on his train, especially as life begins to start up again because who doesn't need a Pick Me Up right now!"*
