The forthcoming nine-track EP displays Tone’s smooth vocals and honest lyrics while immersing you into the world of R&B with hints of pop and hip-hop. Whether you enjoy the up-tempo, hypnotic beat found on “**FWM**” or a slow-burn number like “**Devotion**” that showcases Tone’s falsetto, his new EP has a song with vibes everyone can relate to. The features on the upcoming project include Grammy winner **H.E.R.**, **Lonr.** and **Kiana Ledé**.

**Tone on the creative process for his EP *FWM*:** “*This was one of the best creative times for me. Every day was a different day. I worked with a different writer and producer every day and whatever we made was a VIBE! It will be different than any body of work I put out before.*”

Over a few short years, Stith has secured his quadruple-threat status in the entertainment industry. Not only can he play various instruments such as drums, piano and guitar, but as a songwriter, Tone has penned numerous chart-topping hits, including Chris Brown’s “Liquor,” “Make Love” and “Undecided.”

Although he has many accolades collaborating with others, Stith's solo music allows him to shine the brightest with his incomparable falsetto, which he displayed [live](#) while on H.E.R.'s *I Used To Know Her Tour*.
