[New York, NY – August 17, 2021] Today, Grammy-nominated rapper **Young Nudy** shares a new video for "**Green Bean**" from his new project ***Rich Shooter***, out now via PDE Records/RCA Records. The video for "Green Bean," directed by JMP, is a 5 minute visual that

sees Nudy escaping captivity from a scientific test lab in order to embark on a fantasy-ridden journey across the solar system. *Rich Shooter* arrives on the heels of Nudy's *DR EV4L* tape, which was released on May 18th. The 20 track project includes features from Future, Gucci Mane, PeeWee Longway, and more, as well as 5 songs produced by frequent Nudy collaborator Pi'erre Bourne. Jetsonmade, Coupe, 20Rocket, MAHD McLaren, and Mojo Krazy also contributed production.

Young Nudy's ***DR. EV4L vs RICH SHOOTER*** tour is currently underway. Following sold-out shows at every stop along the 10-show run so far, including [Houston](#), [Dallas](#), [Charlotte](#), and [Atlanta](#), the tour will finish with shows in Silver Springs, New York, and Philadelphia, before concluding at a sold-out stop in Boston on August 21st. Tickets are available now.

Watch "Green Bean" and listen to the new project above, see album details below, and stay tuned for more from Young Nudy soon.
