(Los Angeles, CA – October 22nd, 2021) Multiplatinum selling global superstar **Khalid** releases his new track **“Present”** today via **Right Hand Music Group/RCA Records**. “Present” is written by Khalid. Listen [HERE](#).

Says Khalid, “I’ve had the chance to listen to a lot of music and also push myself creatively while I’m recording. My Mom raised me on R&B and whether it’s the harmonies or melodies, it will always be a part of my music.”

“Present” is just the beginning and I love that it has a dual meaning. It feels good to be more “present” after such a trying year in the pandemic and it’s also a “present” for my fans that have been with me every step of the way.”

Khalid has also announced that his new tape “Scenic Drive” will be released on December 3rd, 2021 via Right Hand Music Group/RCA Records. The tape, which he describes as a companion piece to his critically acclaimed 2018 EP “Sun City” includes “Present”.
