Forbes recently named ATEEZ one of "the K-pop boy bands that could break in America." Their September 2021 release of the EP *ZERO : FEVER Part.3* proved to be a career highlight for the group, earning ATEEZ several of their highest Billboard chartings. The EP debuted at #42 on Billboard 200 – their first entry on the chart – #1 on World Albums Chart, #4 on Top Current Album Sales, #6 on Top Album Sales, and #12 on World Digital Song Sales for the track "Deja Vu."
