

ALAN WALKER RELEASES HIS NEW ALBUM *WORLD OF WALKER*

(Los Angeles, CA – November 26th, 2021) - Almost 3 years has passed since **Alan Walker** released his debut album *Different World*, which now holds an impressive 14 billion streams to its name. Now the time has come for the award-winning Norwegian Artist and producer to release his second album, entitled ***World Of Walker***. The elaborate official artwork for *WORLD OF WALKER* is made up of thousands of selfies from fans around the world as part of a co-creation campaign.

It's been three years since the release of my debut album "Different World" and I have since then had lots of time to work on new music and further develop the Walker cinematic universe. I'm so excited to now finally release my new album "World of Walker". What is truly special to me, is that the official artwork made up of thousands of selfies from Walkers from all around the world. It's finally time to start unveiling the World of Walker, a community we've created together. – Alan Walker
