

LOLO ZOUAÏ RELEASES THE MUSIC VIDEO FOR “SCOOTER”

Earlier this month, budding global pop star **Lolo Zouaï** shared her mesmeric new single, “ **Scooter**” via **Keep It On The Lolo/RCA Records**. Today the official music video arrives, directed by **Piotr Lebryk** and shot in Paris during Paris Fashion Week. Racing on a fuzzy hot pink scooter, the visual fully encapsulates Lolo’s brand of sweet meets sour pop.

“Scooter” further proves that this consummate pop princess is poised for a strong 2022 - Zouaï will hit the road on a North America tour with **Dua Lipa** and **Caroline Polachek** as part of the rescheduled **Future Nostalgia Tour**. Lolo Zouaï consistently delivers concise, sharp, and potent listens, so stay tuned as more music, notable collaborations, and a new album are all slated for the new year.
