[New York, NY – April 27, 2022] Today, Grammy-nominated rapper **Young Nudy** drops new track and video **"Duntsane"** with **BabyDrill**. The visual, directed by **iNIGHTLYFE** and co-directed by Nudy, shows both linking up in ATL with their crew.

This follows the release of his visual for **"Child's Play"** featuring **21 Savage**. Produced by JMP, the video is a homage to horror films, seeing Nudy and 21 Savage set in a foggy junkyard complete with a babydoll shredder and *Halloween* masks under the full moonlight. This video arrives on the heels of a massive year for Nudy, who has released two full-length LPs, **DR. EV4L** and **RICH SHOOTER**, both out now via **PDE Records/RCA Records**. Other single and video releases include **"Green Bean," "2Face"** featuring G Herbo and **"DR. EV4L."** Nudy also had a sold-out North American **DR. EV4L vs. RICH SHOOTER** tour this past year, which saw Nudy play a string of shows in New York, Atlanta, Boston and more.

Check out "Duntsane" and listen to **DR. EV4L** and **RICH SHOOTER** above and stay tuned for more from Young Nudy soon.
