[New York, NY – June 16, 2022] Today, LA-based artist **Kent Jamz** releases his long-anticipated album *Fanclub*, along with new single “Or Not” featuring **A\$AP Ferg** via **RCA Records** – [click here](#) to listen. A vet in the industry, the 12-track album boasts Kent’s effortlessly evolving sound and his ability to tie together his influences, both sonically and visually. It acts to cement and mark out the direction of his burgeoning solo career.

Introduction to the project, kicked off with the smooth singles “**All the Smoce**” featuring **GoodJoon** and the cool laidback single “**Rollin’ Wit The Homies**” featuring **Buddy**, whose title pays homage to the iconic scene in *Clueless* and is an ode to Kent’s friend who passed away during the pandemic. You can find Kent currently on the road in support of the project on Buddy’s **Superghetto Tour**, which kicked off in Oakland, CA on June 15th

Born in Atlanta, GA, Kent Jamz moved to Los Angeles when he was just six years old and made it his home. As he grew up, music became a natural part of his life and he immersed himself in it fully. Kent was previously a part of the rap group **OverDoz**. and most recently, released a joint project **Janktape Vol. 1** with **Buddy** in 2020. He’s also written for many artists including **Kendrick Lamar, Childish Gambino, Buddy, Terrace Martin** and more.

Stay tuned for more on Kent Jamz coming soon.
