(June 17, 2022) – Today, **Sam Fischer** shares his compelling and emotive new single, **“All My Loving.”** Out now via **RCA Records**, the release follows his recent single **“Hopeless Romantic”** and his hit songs **“This City”** and **“What Other People Say”** with **Demi Lovato**.

Co-written and produced with **Steve Mac** (Ed Sheeran, Calvin Harris, One Direction) during the pandemic, “All My Loving” is a soulful and heartfelt song about having an honest conversation with yourself to do better. It builds to a euphoric and passionate chorus of declarations that showcase Sam’s powerful vocals.

*“‘All My Loving’ was written with living legend and pop god Steve Mac in the middle of the pandemic over Zoom, so anything but a big banging pop song about love was not going to be possible,” says **Sam** of the release. “The song itself came from the phrase ‘have an honest conversation with yourself, Sam’ being yelled at me. If you were in any relationship throughout the last few years, you’re lying if it wasn’t uniquely challenging at times. My issue is it wasn’t a fair fight because I was absolutely the problem and also the one starting it. So, this song is both a banger and a big statement.”*
