## AMAZON DOD

### Artwork delivery requirements for Disc on Demand

Artwork must be provided for the disc face, insert booklet, and the case.

- Images must be submitted as RGB JPEGs or PNGs.
- CMYK (or four-color) JPEGs are NOT supported.
- The standard CD logo cannot be used as they are only licensed for use with replicated discs.
- A UPC barcode is automatically added during manufacturing.
  - o Outside Tray Card  
Default position is the lower right corner
  - o Outside Booklet  
Default position is the lower right corner
  - o Be sure to leave this area free of important text and graphics.
  - o Do not create a white box in this area.
  - o Do not include your own bar code in this section.
- The disc face is printed using a thermal retransfer process using full color. A small barcode is automatically added at the bottom during manufacturing and is required for quality control purposes.
