

CHLOE FLOWER
- ACCLAIMED PIANIST, COMPOSER AND PRODUCER –
SIGNS EXCLUSIVE DEAL WITH SONY MUSIC MASTERWORKS

Hot off the back of her blockbuster featured performance with rapper Cardi B at the 61st Annual Grammy Awards 2019, held on 10th February at the Staples Center, Los Angeles, Sony Music Masterworks is thrilled to announce the exclusive signing of one of today's most exciting and innovative artists, the internationally acclaimed American pianist, composer, producer, fashion influencer and activist Chloe Flower.

Chloe Flower has worked with some of the biggest names in the music industry, including Babyface, Celine Dion, and Nas to name but a few and performs on a piano on loan to her from The Liberace Foundation. Classically trained by Herbert Stessin (Juilliard School) and Aaron Shorr (Royal Academy of Music), she has also performed at a sold-out Walt Disney Hall, Los Angeles and composed original scores to films and documentaries.

Passionate about music education, Chloe Flower has also been honoured for her ground-breaking work in the fight against human trafficking and sex slavery, partnering with organisations such as UNODC (United Nations Office on Drugs & Crime) and CAST (Coalition to Abolish Slavery and Trafficking). Chloe Flower has spoken out on these issues at leading world events, including alongside former UN Secretary-General, Ban Ki Moon and best-selling author, Deepak Chopra.

Her signing to Sony Music Masterworks allows Chloe to showcase her immense talent, versatility and innate musicality with new music scheduled for release later in 2019.

Said Chloe Flower of this new partnership: *"It's not only an honor to be part of the Sony family, but I couldn't be more excited about the incredible team I'll be working with. I waited many years to find the right home for my music & my sound, and it was certainly worth the wait!"*

Mark Cavell, Label Head USA & COO International, Sony Music Masterworks commented: *"Chloe Flower is a gifted musician with a unique appeal that cuts across all musical boundaries. She is very much an artist of the 21st century, creating music with a wide appeal for the streaming age. We are thrilled that she is joining us on the label".*

Sarah Thwaites, Label Head UK, Sony Music Masterworks added: *"Chloe Flower is one of the most exciting artists on the planet and I'm unbelievably stoked to share her talent with the world. Whether it's original compositions, classical masterpieces, unexpected collaborations or virtuosic covers of today's hottest hits, Chloe's incredible talent, passion and style shine through."*
