The Lord himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged. (Deuteronomy 31:8)

During 2020, many artists used their time at home to connect with their family and friends. Ernie Haase not only did that, he and Signature Sound also continued ministering through music. When so many people were offering pay-per-view online concerts, EHSS came into their fans’ living rooms on Friday nights with a full half-hour of music and encouragement – for free. Letters and emails from viewers indicated that this was often the only ray of hope during the season of isolation, loss, and grief.

Keeping On was born in that darkness, fear, and anxiety that seemed to grip us all. If all you’ve got left is just one more breath, rise up in faith – take one more step. Keep on keeping on. Filled with songs of encouragement, hope, unity, and praise, *Keeping On* is the perfect collection of songs for this time. The first single, “Wake Up,” released October 2020 and has climbed the Southern Gospel radio charts (currently #22).

Ernie Haase & Signature Sound is poised for a banner year with the release of *Keeping On*. This album serves as a springboard for their concert tour, as well as season two of their web series, which will be rebranded as “Good To Be Home.” Join EHSS in the journey into the light through these fun, fresh, faith-focused songs as they inspire us to Keep On Keeping On.
