**ADDITIONAL INFORMATION:**

Travis Greene is a fiery creative progressive in Contemporary Gospel, utilizing the full spectrum of modern sounds and genres from which to share his musical offerings. His latest album, ***Oil and Water*** – an all-star studio project almost completely created during the 2020 quarantine due to COVID-19 – is 10 songs of fervent and humbled praise from a voice like no other. Joining Travis, his trusted band of co-producers and musicians on this emotional journey is an enviable cast of fully anointed apostles that reads as follows: Kirk Franklin, John P. Kee, Tasha Cobbs Leonard, Kierra Sheard-Kelly, Anthony Hamilton, Mali Music, Le’Andria Johnson, Darrel Walls, D’Nar, Todd Dulaney and MDSN.

The result moves in starkly acoustic, often classically operatic motif’d surrender for what 11x Stellar Award-winner and 5x GRAMMY®-nominee Greene calls a “refresher” on why we love The Lord with every fiber of our soul, heart and mind.
